

Multi-Point Level Sensors

Royce Industries offers Multi-Point Liquid Level Sensors in a wide range of mounting types and materials. Royce can also custom design level switches that meet your specific requirements.

All level switches are highly reliable and are very repeatable in both the Normally Open (NO) or Normally Closed (NC) float position.

Features:

- Accurate and Reliable operation
- Variety of mounting types
- Material options- Plastics, Brass and Stainless Steel
- Multi-Point or Continuous output options
- Wide selection of Float Options
- Custom Designed Sensors available
