

# Royce Industries, Inc.

Royce will provide products and services of high quality and superior performance. We will continue to enhance our business through innovative designs and process improvements. Our goal of controlled growth is based on a total commitment to our customers and to the work we perform.

## Senders

- Fuel
- Water
- Holding Tanks

## Gauges

- Fuel
- Water

## Marine Systems

- Smart-Cap (Automated On/Off Switch)
- Hi / Low Level Alarm
- Fuel Transfer Controller

## Custom Fluid Control Assemblies

- Liquid Level
- Siphon Tube
- Valve / Manifold
- Fitting and Tubing Harness
- Wire and Connector

## Flood Protection

- Water Detection Alarm
- Automatic Water Shut-off
  - ✓ Water Heater
  - ✓ Washing Machine
  - ✓ Water Main
- Bilge or Sump Pump Activation
- Air conditioner Drip Pan Alarm / Shut-Off

## Pressure Switches & Transducers

- 4-20 mA
- 0-10 Volts
- Amplified

## Electrical Connectors

- Miniature
- Low Cost
- Weather Resistant

## Valves

- Solenoid
- Diaphragm
- Ball
- Check
- Needle

## Level Sensors

Type	Material
• Single Point	• Stainless Steel
• Multi-Point	• Brass
• Continuous	• Polypropylene
• Side-Mount	• PVC
• Conductivity	• Teflon

## Manifolds

- Stainless Steel
- Aluminum
- Brass
- Plastic
- Multi-Ported
- Custom Designs

## Machined Components

- CNC Turning and Milling
- Screw Machine
- Secondary Drilling / Tapping
- Centerless Grinding

## Flow Switches

- Stainless Steel
- Brass
- Plastic

## Temperature Switches

- Compact
- Reliable

## Fittings

- Plastic
- Brass
- Stainless Steel
- Quick-Disconnect
- Push-to-connect
